## Ancient Wisdom for Modern Times...

Radiant Touch® is a holistic healing approach to well-being and a great support for both patients & caregivers.

Trained Volunteer Practitioners in The Radiance Technique®, Authentic Reiki®, help balance the more subtle levels of energy within you.

Your whole body is made of vibratory frequencies. Receiving a session enlivens, restores and balances your energy. This allows your mind and body to gain a unique state of very deep rest.

The Radiance Technique®, Authentic Reiki®, and Radiant Touch® are service marks of The Radiance Technique International Association, Inc.

**With gentle hands held on or just above your body you can experience:**

- **Release of Physical, Mental and Emotional Stress**
- **Deep Relaxation**
- **Natural Pain Release**
- **Restful Sleep**
- **Inner Stillness**
- **A Peaceful Transition**
